

# MATCHING CORPORATIONS

The following have corporate giving programs that match their employees' gifts to non-profit organizations – some even match volunteer hours! Please contact your employer about their matching gift guidelines to see if our school is eligible. This list was created for your reference, but does not guarantee that a matching gift will be approved for religious organizations. We are a 501 (c)(3) charity; our Fed. ID# is 87-0636765.
